HORSE TALK

We recently got a new horse. **Brandi** has settled in nicely and is already part of the herd and our lesson program. She is good for beginners and more experienced riders and will be used for camps too. More pictures to come soon.

THIS MONTH'S HORSE

Featuring: Watch the Sunrise

Watch the Sunrise (Sunny) is our youngest horse. He is a 3 yr old, 15hh, registered Quarter Horse gelding. He is a very flashy chestnut horse with a flaxen mane and tail. Last summer Sunny was used at a kid's camp and has proven to be really good with beginners. Although he is young, he is practically bombproof, - nothing bothers him at all. We are using him lightly in lessons right now but are hoping to use him for our camps this summer. In this picture he is being ridden by Keira Garland.
