HORSE TALK

Breanna Holzschere, Keira Garland, Carole Gagnon, Carissa Sheridan and Angie Johnson have been doing quite well at the latest shows. Congratulations!

We have also bought another new horse this month. His name is Sir Prescott. He is a 15.2h, chestnut, Appendix gelding. Watch for photos of him coming soon on the web.

THIS MONTH'S HORSE

Featuring: Wachita

WACHITA is one of those ponies that you just have to love. We have had her for a year now. She is very striking with her colouring (her mane colour would cost a fortune at the hairdresser's). She is 13.3 hh and is 6 years old. She is a buckskin paint (she has white legs and has a white marking under her mane). We are now using her for lessons and camps, but she still needs more work at the canter before she can be fully used. Everyone is amazed when we bring the horses in for feed as Wachita likes to come in by herself and always finds her own stall.
