

# SHADOW RIDGE REVUE

December 2001

## WISHING YOU ALL A VERY MERRY CHRISTMAS

### THIS MONTH'S NEWS

#### Lessons

The installation of the floodlights is now complete thanks to Hans Bergman. With 2000 watts of light the ring is quite bright and makes it much easier and safer to ride at night.

Our plan is to continue the lessons over the winter months (weather permitting). We certainly have a hardy bunch of riders who don't mind riding in inclement weather, so unless the footing is unsafe we will still be riding. Please make sure that you have lots of layers of clothes to keep you warm.

### WINTER WORKSHOPS

The Winter Workshops will be held once a month from November to April. This year's series is called "All About Horses". This year the workshops include a short ride if the weather permits. We hope that you will be able to join us for the next one to be held on December 15<sup>th</sup>.

We are pleased to announce that for the Workshop in February, Dr. Helen Douglas will be our guest speaker. For full details see the workshop page at: <http://www.shadow-ridge.ca/workshops.html>

### HORSE TALK

The loafing barn has been whitewashed thanks to the help of Liz Brown. Half of the loafing barn is being converted into three more standing stalls. The other half will continue to be used as a care centre/hospital as it has direct access to the small paddocks. We will now be able to accommodate up to 18 horses.

### THIS MONTH'S HORSE

Featuring: **Cheyenne**

**Cheyenne is a bay roan, registered Appaloosa. She is 21 years old and is 15.0 hh. We have owned her now for 2 years. Cheyenne had a foal about 3 years ago and was a really good mother. Unfortunately, her owner Linda, could not afford to board them both so she was kind enough to give Cheyenne to us. Her registered name is Shannon 8 Feathers. We have used her for a lot of beginner riders and also for the summer camps. Cheyenne is a great horse to take out on the trails as she does not spook at anything. You would never guess her age when you see her being ridden as she is still very sprightly.**

### Christmas Party

Our annual Pot Luck Christmas Party will be held December 15<sup>th</sup> following the Workshop. Even if you cannot make the workshop, all are invited from 12:00 pm - 2:30 pm.

### CAMPS

Don't forget, the schedules are now out for next year's camps. Please try to register early to ensure you can get a spot. Details can be found on the website:
