THIS MONTH'S HORSE

Featuring: Zipporah

Zipporah (Zippos Boston Pine) is a 9 year old chestnut mare. She is registered with the AQHA and has excellent blood lines. She would produce amazing babies. She stands 15.1 hh but looks more like 15.3hh as she is so solidly built. She is very powerful and so needs an intermediate rider, although we did use her in the summer for camps and lessons.

She is bomb proof, nothing seems to upset her at all. She is great to take out on the trails and is an amazing jumper. She will jump practically anything. This year was her first year of showing and we only got to one show. She did really well and you would never have know it was her first show as she was so calm and relaxed.

Originally she was ridden Western but she is such a great jumper that we are hoping to sell her this year to someone who wants to continue to show her and event her. She frames really nicely so she should do well at dressage as well as the cross country and jumping.
