

SHADOW RIDGE REVUE

February 2007

The days are getting longer!

THIS MONTH'S NEWS

Daytime Ladies Lesson:

We now have a 3 ladies in our Monday afternoon lesson, which will be running until the start of Camps. Please call for further information if you are interested in joining this group.

Workshops:

Melanie filled in for Dr. Lea Button at the last workshop and gave a presentation on Vital Signs. The participants all had a chance to practice what they had learnt. They also had to take a bridle apart and then put it together again. Quite tricky when you are not used to doing it. Well done everyone.

CAMPS

Residential camps - Details and registration forms are available on the Camp pages of the website. Reserve your space now, so that you are not disappointed. Please check for availability before sending your registration: <http://www.shadow-ridge.ca/camps.html>

WORKSHOPS

As part of the Badge Awards program, there will be five workshops (one for each badge level), which run from November to April each year.
The next one is on March 17, 2007 and is on Stable Management.

HORSE TALK

It won't be long now before Kleah has her baby. We are hoping all will go well, especially after she aborted twins last March. The horses are all enjoying the sunny days and are playing all day now in the paddock. Halter tag being their favourite game of course.

THIS MONTH'S HORSE

Featuring: Scottsdale

SCOTTSDALE is a 16-year-old gelding. He is chestnut and is about 14.2hh. Scottsdale is used for beginner lessons and camps and has taught many a new rider how to trot and canter. He is also used in the intermediate lessons when students first start to jump. Shown here being ridden by Genny Sauberli at camp last summer.
