## THE MEGADOME!

### THIS MONTH'S NEWS

Of course the highlight of this month's news has to be our MEGADOME ARENA. It is 80' x 184' and is nearly completed. This cold weather has delayed the completion but it won't take long now to finish it. We even have the footing in already. We are just waiting for the ends and doors and the lights. It will be great to get back to regular riding again!

### CAMPS

Sign up soon to avoid disappointment. We only have very small groups each week.

**Sir Tarquinn** – 15.3h HH cross gelding, 5 years old

**Miss Ginger** – 15h QH mare, 11 years old

We look forward to using all of these horses in our lesson and camp programs.

### THIS MONTH'S HORSE

Featuring: **Comanche**

**COMANCHE** is a 7 year old bay tobiano (dark brown and white) paint gelding. He is 14.2hh and he is registered as a Partbred Arabian. His father's name was Ghaz-M and his mother's name was Sweet Pea.

**We have had him since mid December and already he has settled into the routine. He is eager to please and is very affectionate.**

**We will be using Comanche in our lesson and camp program this year as he is great for beginners as well as being able to jump for the more advanced riders.**

**Who knows, he might even get to a show this summer.**
