HORSE TALK

The next show will be August 3rd at Springbok. Our new 18 ft. stock trailer should be finished this week so we should get it just in time. It may be a few weeks before we can get the logo and lettering on it though. Many thanks to Ray Turcotte for agreeing to haul it for us for the next few shows.

Check out the News page on the website (<http://www.shadow-ridge.ca/news.html>) for the latest photos of the show team and their ribbons.

Our latest addition to the barn is Kezia, who we bought recently. She is a flea-bitten grey Arabian pony, 13.3hh. We hope to be able to use her shortly in lessons.

We have a couple of new boarders and one of their horses had a foal last weekend. She had a beautiful black filly called Pippa. When you get the chance you should come and see her run around. She has become the favourite of many of the students already.

THIS MONTH'S HORSE

Featuring: **Kachina**

KACHINA is almost 3 years old. She is presently a grey/brown 14.0h Apaloosa pony. We have had her since she was 5 months old and love her to pieces. She is totally bombproof and very easy to handle.

She was really easy to back as we have had a saddle and bridle on her since she was 1 year old. Three weeks ago we rode her for the first time and she was very calm. It looked like she had been doing it all her life.

She is now walking and trotting in the ring. Watch for her as a lesson/camp pony in the near future. All the students like to bring her in to the barn and are looking forward to riding her.
