

SHADOW RIDGE REVUE

June 2002

SUMMER IS FINALLY HERE!

THIS MONTH'S NEWS

Lessons

A big welcome to our new instructor Kirsten Scott and many thanks to Laura Simpson for being willing to help out.

We have had a lot of new students lately, so welcome to all our newcomers.

CAMPS

Camps start in a couple of weeks. There are still one or two spots left. If you act quickly you can still get in.

Details can be found on the website:

HORSE TALK

Our Show Team have already been to a couple of shows and have been doing really well. Check out the News page on the website (<http://www.shadow-ridge.ca/news.html>) for the latest photos of their ribbons.

We have been having difficulty getting trailering to the shows so we are looking to buy our own trailer. Hopefully within the next couple of weeks. The next show the Team are going to is on Saturday, June 22nd at Fiddlers Green in Stittsville. Please come along and cheer for our team.

We recently sold Zippos Boston Pine and Cheyenne. So far we have bought one new horse – Lord Standish – and we are in the process of acquiring a few more as soon as possible. To see pictures of Lord Standish go to our Horses page on the website: (<http://www.shadow-ridge.ca/horses.html>).

Last weekend Carole and Angie rode Kachina for the first time. She was really well behaved and was very easy to ride.

THIS MONTH'S HORSE

Featuring: Lakota

LAKOTA is a 6 year old Appendix mare (probably more Thoroughbred in her than Quarter Horse). She is 15.3 hh and is a bay. She is very pretty and sweet. She is being shown this summer by Carole Gagnon and has done really well in her first two shows.

When we first got Lakota, in the fall, she was trailered to us on the back of a pick-up truck. This story has become quite a conversation piece now. She is a little timid getting on trailers, but does well with the bigger or stock trailer types. Once we get our own trailer we can practice putting her on and off so that she gets used to it. We have found patience and TLC works a lot better to get her onboard than force. Hopefully she will soon have no troubles loading at all.

We have recently started using Lakota in the beginner classes too and will use her for the camps.
