### HORSE TALK

The horses that we bought over the Winter are doing really well. All of them are now being used in our lessons and will be used for camps too. We are still looking for one or two more to complete the school.. We hope to have these horses going and in the program this Spring.

### THIS MONTH'S HORSE

Featuring: **Starbuck**

**Starbuck is a handsome 4 year old, 14.3hh buckskin gelding. He is doing really well in the lesson program and has now started to do small jumps too. He is very playful and can always be seen out in the field playing halter tag with the other horses. He is now being ridden by our intermediate riders and we will be using him for camps this summer. Pictured is Lisa Williamson riding him.**
