September 2007

## Indian Summer!

### THIS MONTH'S NEWS

We have had quite a few new students sign up recently so have had to expand the number of lessons. Janet Boyes has been helping with the introductory lessons and has kindly agreed to help with the Monday lessons in October. Tarah Sly is also now going to be doing a flat lesson on Fridays before the regular jumping lessons. If you are thinking of taking lessons now is the time to sign up before we are full.

### HORSE TALK

It almost time to wean Ella. We are hoping to do that in the next week. She is so inquisitive and has been breaking out of her paddock to go visit the rest of the herd on numerous occasions. She has grown so much that she is probably now the same height as Jayde if you can believe it. It will also be good to have Kleah back in the program too. Hopefully all will go well with the weaning and then in a couple of months they can both be in the herd together.

### THIS MONTH'S HORSE

Featuring: Lakota

LAKOTA is a wonderful 15.2hh bay mare. She is now 11 years old, which means we have had her for 5 years now. She is an appendix Quarterhorse but is more like the Thoroughbred side. Lakota has been shown ever since we got her and does really well at the shows. She is also used extensively for lessons and camps. Shown here ridden at camp this summer by Laura Hansen from Montreal.
